

## **PUBLICATION SCHEME.**

The purpose and aims of the scheme are to adopt and maintain a scheme which relates to the publication of information by the council, is approved by the Commissioner and brings to the notice of parishioners the opportunity which exists for them to inspect the Council's documents.

Information in accordance with the scheme will be published and from time to time the scheme will be reviewed.

In preparing this scheme consideration has been given to the Local Audit and Accountability Act 2014, whether the Data Protection Act 1998 imposes any restrictions or constraints on publication of any information and whether any of the information falls within exemption under the Freedom of Information Act 2000 or the new General Data Protection Regulations of May 2018 and therefore could, or should, be withheld from publication.
